1 **SUMMARY OF REBUTTAL TESTIMONY OF JOHN REIBER**

2 Mr. Reiber is testifying in support of the application for approval of the sale of the stock
3 of Black Mountain Gas Company to Southwest Gas. Mr. Reiber testifies that, while the present
4 customers of Black Mountain, are provided safe, reliable service by Black Mountain at reasonable
5 rates, the sale will benefit those customers by providing them with access to programs conducted
6 by Southwest Gas. Mr. Reiber also clarifies Black Mountain's Emergency Isolation Valve
7 Program and indicates that Black Mountain anticipates the plan will meet the requirements of the
8 Pipeline Safety Office by May 1, 2003. Mr. Reiber testifies that the transfer will have no adverse
9 impacts on Black Mountain's Page Division Propane Customers. Mr. Reiber recommends
10 approval of the application.
